NEWS LETTER

01st December 2019

Dear Parents,

The year has almost come to an end and we would like to express our gratitude to all the parents who have supported us to make it a wonderful one. We sincerely appreciate your co-operation and look forward to your suggestions and support in the coming years.

December is in the air and the chill has certainly set in. Please remember to dress your child appropriately. The children do run around and become hot and sweaty so in order to prevent cold from setting in due to excessive perspiration that dampen their inner clothing, it would be best to have them dress in warmer jackets and coats that can be easily taken off when hot.

It has been a MotherCare tradition to make children aware of different cultures around the world and home and to embrace and respect other festivals besides their own. We take joy in celebrating festivals such as Easter, Dashain, Tihar, Lhosar, Saraswoti Puja, Buddha Jayanti and Christmas, etc. December means that the children are now eagerly looking forward to Christmas and they have already begun talking about Santa Claus. We have been learning new songs and preparing a Christmas play for the special day to be held on the 21st of December (Saturday) at 11 a.m. Please consult with your child's class teacher for dress details. We will be sending you a proper invitation with the program details later in the month.

Thanking you for your constant support and co-operation.

We wish you “MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR”.

Looking forward to seeing you next year in 2020.

Yours sincerely,
MotherCare Admin
