

MotherCare
INTERNATIONAL PLAYGROUP/PRESCHOOL
NEWS LETTER

1st March 2022

Dear Parents,

With spring in the air, the days are getting warmer so we would like to request all the parents to send their children dressed appropriately. A change of clothes, a pack of tissue, wet wipes and an extra bottle of drinking water would be very helpful. We warmly welcome all the new children and their parents to the Mothercare family.

As we are following the summer schedule we would appreciate if the child could be dropped to the school not later than 9:15 a.m., especially the two senior groups since most of the activities/themes are discussed and planned in the morning. It is also easier for the child and the teacher to catch up with the work that has not been completed the previous day if the child is in school on time. At the same time, we would also appreciate if the child is picked up from school on time as well, latest by 2:30 p.m. for the smaller ones and by 3:30 p.m. for the senior group. It is not a very pleasant experience for the child to be left behind. We at least expect to get a call if there is some unavoidable circumstance which could have been the reason for the delay.

Well, here we are in the final term getting ready to bid farewell to yet another group of children who will be leaving us to join grade one in various schools. It just seems like yesterday, that these little toddling feet walked through the school gates with their diapers on, crying and howling. Now it is a joy to see them as confident six year olds ready to face the big world. We are certain that we have given them the right guidance to become skillful communicators and confident that they will always pursue the love for learning we have instilled in them during their time at MotherCare.

At Mothercare we firmly believe in the three R's meaning recycle, reduce and reuse therefore I would once again like to request all the parents to please bring used cereal boxes, toilet paper rolls, cartons etc so that we can use them for our craft works.

Once again on behalf of the entire Mothercare family I would like to thank you all for your constant support and cooperation.

Thanking you,

Yours sincerely,
MotherCare Admin
