## NEWS LETTER

01 December 2018

Dear Parents,

Namaste!

We would like to express our gratitude to all the parents who have supported us during the year and we welcome all the new parents to the Mothercare family. We look forward to sharing yet another fruitful year with you and the children. Please do not hesitate to express your opinions on anything regarding the management as well as the curricular activities be it positive or negative. Your suggestions and ideas are most welcome at all times. A big 'Thank You' to all the parents who have brought us various items useful for art and craft and yes, we still need them.

December is in the air and the chill has certainly set in. Please remember to dress your child appropriately. The children do run around and become hot and sweaty so in order to prevent cold from setting in due to excessive perspiration that dampen their inner clothing, it would be best to have them dress in layers that can be easily taken off when too hot.

It has been a MotherCare tradition to make children aware of different cultures around the world and home and to embrace and respect other festivals besides their own. We take joy in celebrating festivals such as Easter, Dashain, Tihar, Lhosar, Saraswoti Puja, Buddha Jayanti and Christmas, etc. December means that the children are now eagerly looking forward to Christmas and they have already begun talking about Santa Claus. We have been learning new songs and preparing a Christmas play for the special day to be held on the 22<sup>nd</sup> of December (Saturday) at

11 a.m. Please consult with your child's class teacher for dress details. We will be sending you a proper invitation with the program details later in the month.

Some of the teachers will be organizing a Winter Camp during the holidays. The details will be sent in due time, please contact the office or the class teacher for more information. The camp will be a recreational and a fun-filled one as usual with lots of fun filled activities for the children.

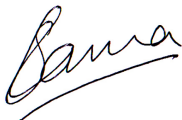

Please note that the holiday list and the newsletter will be available to download from our website: [www.mothercare.edu.np](http://www.mothercare.edu.np)

Thanking you for your constant support and co-operation.

We wish you a "MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR".

Looking forward to seeing you next year in 2019.

Yours sincerely,

Srijana Tamang
