NEWS LETTER

01st April 2018

Dear Parents,

The Final term has come to an end and we would like to extend our gratitude to all the parents who have supported and believed in us. We would especially like to thank Mr. Dinesh Shrestha (Arja's uncle) and Mr. Santosh Silawal (Sanushma's father) for providing the vehicle for our pizza trip to Roadhouse.

The month of March has gone by with plenty of happenings such as the entrance evaluations for the children in various schools, the visit to the zoo, Godavari Botanical Garden and the Road House Restaurant for Pizzas in line with our introduction to fractions for the senior children. The graduation ceremony for the senior children was held on the 30th of March and it was really nice to see the children being quite confident in expressing their thoughts about moving on in life. All the children thoroughly enjoyed the magic show too. We will certainly be missing the children who will be leaving us. We wish them the very best.

As usual the remaining children are all set to move on to their new classes and they all seem quite excited about moving up. The teachers have been preparing them for the big change since this sometimes can be a traumatic experience for a little child. We would appreciate if you could do the same at home, talk about the new teacher, the new class and if possible meet the new teacher and visit the new class with your child.

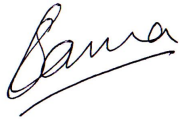

It is spring and the days are becoming warmer so your child needs an extra bottle of drinking water or a bigger bottle and suitable outfit for outdoor play. Please do not forget to pack an extra set of clothes in his/her backpack. You are most welcome to leave the extra set in the

school provided they are labeled with your child's name.

Please note that the holiday list for the Academic year 2018-19 is attached with this Newsletter and it can also be downloaded from our website: www.mothercare.edu.np

Thank you for your constant support and cooperation.
Happy Spring Holidays!

Yours sincerely,

Srijana Tamang.
