**NEWS LETTER**

Dear Parents,

01<sup>st</sup> June, 2018

Namaste!

The kindergarten has been buzzing with various activities along with the teary eyed newcomers, which tells us that the new academic year is well on its way now. We look forward to sharing many fond memories with our children during the year again. Please feel free to talk to the class teacher should you have any queries regarding your child. We would, however appreciate if an appointment were made before such meetings so as not to hamper the regular schedule.

We would like to thank Mr. Takeshi Ohkawara (Kenzo & Akira's Father) for being very helpful in assisting us with the filtration process of our new swimming pool. However, we still have not been able to get the pool ready for use due to the delay in installation because of the recent unprecedented rains. Hopefully, it will be ready in another week or so.

Kindly remember to pack an extra set of clothes clearly labeled with your child's name even if you think your child does not need them. They are children after all, and you never know when they need a change. Please also note that children should not be sent with precious jewellery, rings or lockets. If there is a religious purpose for the item the child has to wear, please kindly inform the teachers. The school will not be responsible for loss of such items.

Please note that the annual general meeting will be held on the 08<sup>th</sup> of June Friday at 5.30 p.m. in the school premises. All the parents are advised to attend the meeting especially the new parents as there will be an orientation session about our philosophy.

We are pleased to inform you that we have a few visiting student teachers from the University of Wyoming, United States of America who are working in close co-ordination with teachers in different classrooms overseen by our Principal Dr. Sapna Thapa.

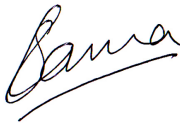

We would like to request all the parents who have not yet submitted their child's vaccination details to please submit the same along with the birth certificates to the office immediately so that the records can be updated.

We would also appreciate if the children are dropped to school by 9:15 a.m. so that we get enough time for one to one activity in the morning. This especially applies to the two senior groups of children (Saturn and Jupiter). Please note that this delay leads to the child missing out on one of the most important activity of the day.

**Please note that the holiday list and the newsletter will be available to download from our website: [www.mothercare.edu.np](http://www.mothercare.edu.np)**

Thanking you for your constant support and co-operation.

Yours sincerely,

**Srijana Tamang**
