Dear Parents,

Namaste!

A very warm welcome to all our children and parents in this new academic session 2022 -2023. We are hopeful the coming year will be a happy, joyful, fun and a safe one. And will provide an enriching learning experience for all our children.

On 9th April 2022, Saturday we had a farewell graduation ceremony at the MotherCare premises. We bid farewell to the 25th batch with mixed feelings, sad to see them leave but happy to see them all grown and confident, ready to face the big world. Once again, we would like to wish them all the very best for their bright future.

As the global pandemic is not yet over and is still a threat to all of us, we would like to request the parents to send the children with a proper mask to school. And if the child or any member of the family has cough, cold, fever or any flu symptoms please have the children rest at home and do not send them to school.

The Preschool is open from Monday to Friday.
