Dear Parents,

The year has almost come to an end with the successful completion of the SAARC Summit here in Kathmandu. We regret the inconvenience created by the closure of the school due to the Summit as we in Mothercare believe that safety and wellbeing of the child is our primary concern.

We would like to express our gratitude to all the parents who have supported us to make this year a wonderful one. We sincerely appreciate your cooperation and look forward to your suggestions in the coming years.

December is in the air and the chill has certainly set in especially in the mornings and the evenings. Please remember to dress your child appropriately, preferably in layers so that it can be taken off when necessary rather than just having something thick.

It has been a Mothercare tradition to make children aware of the different cultures around the world and home and to embrace and respect all festivals. We take joy in celebrating festivals such as Holi, Easter, Dashain, Tihar, Loshar, Saraswoti Puja, Buddha Jayanti and Christmas. December means that the children are now eagerly looking forward to Christmas and they have already begun talking about Santa Claus. Every classroom has begun to take the look of the festive season with the decor. The teachers are working hard with the children for the Christmas program. We have been learning new songs and preparing a special play for the Christmas day celebration to be held on the 20th of December (Saturday) at 11a.m. The respective class teachers will inform you regarding the dress details. We will be sending you the proper invitation with the program details later in the month.

We would like to request the parents to avoid sending the child with any kind of valuables (jewellery and precious stones) as the school will not be responsible for the loss. Please note
that we do not encourage the children to bring toys and candies in their pockets as this could lead to serious conflicts among the peers.

Kindly remember to pack an extra set of clothes clearly labelled with your child’s name, drinking water and a wad of tissue in their backpacks. If you wish to leave the extra clothes back in the school you can do so.

Mothercare staff is organizing a fun filled winter camp in the school premises from the 5th of Jan to 16th Jan. If you are interested in enrolling your child please contact Ms. Onam for the details.

The holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

We wish you a “MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR”. See you in year 2015.

Yours sincerely,

Srijana Tamang
