Dear Parents,

We would like to welcome all the new children and their parents to MotherCare family. We are now one month into the new term and most children seem to have settled down with their new class teachers except a few who might take a little longer but will eventually adapt to the change. We would also like to thank all the parents for their understanding and cooperation during all times.

Without any doubt we all know that the past few months have been quite challenging with the sudden earthquake and the continuous aftershocks which delayed the commencement of our new term.

We would like to inform you that the Annual General Meeting which was scheduled to be held in June will now be held on 3rd of July 2015 this Friday in Mothercare at 5:00 pm and the meeting will start at 5:05 sharp. Please note that this meeting is mandatory for all parents especially the new parents.

The teachers participated in a workshop conducted in the school by our Principal Dr. Sapna Thapa on Understanding Childhood Behavior on Saturday which was very informative and useful. As we have learnt that there is no “misbehavior” there is only behavior, good or bad depending on the situation and how you look at it. Please be careful before you pass a judgement next time as the child maybe exhibiting a form of mistaken behavior which has specific reasons that influences the child’s behavior.

A small reminder would be to make sure that your child has enough drinking water during the hot summer days and clothing appropriate for the heat. We encourage all the children to take sips of water throughout the day so a small bottle may not be enough. We do have bottled water in the premises if required but this would not be enough for the entire school. Kindly
remember to pack an extra set of clothes clearly labelled with your child’s name even if you think your child does not need them. Remember they are only children after all.

With a heavy heart we will be bidding goodbye to Onam teacher who was working with the three year olds. We would like to thank her for her contribution for the past two years. We wish her the very best in the days to come. Ms. Preetika Sherchan who was being trained for the past two months will now be working with the three year olds. Ms. Amrit Manjari Singh who was also being trained is now working with the five year olds. Ms. Binita Maharjan has also joined us as an assistant teacher. We warmly welcome all of them to MotherCare.

Finally we would like to thank Mr. and Mrs. Basnyat Vivan’s parents for donating tarpaulin.

The holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

Thanking you for your constant support and co-operation.

Yours sincerely,

Srijana Lama
