Dear Parents,

Welcome back! The Mothercare family would like to wish you a very Happy and prosperous 2014. We hope that you had a great vacation. Several new children have joined us this term and we welcome them and their family to our Kindergarten. Thank you for choosing Mothercare for your child. We would like to inform you that Sanju teacher had to leave us due to her personal reasons. We wish her every success in the future.

The school closed for the winter vacation with a positive note, the Christmas celebration. By celebrating all festivals we take the opportunity to show respect and appreciation for all cultures. We had a successful winter camp and the children seemed to have thoroughly enjoyed the different fun-filled activities during the camp.

Since we work with very little children, safety and cleanliness is our primary concern. During the winter break, the school building and the outdoor play equipment were given a fresh coat of paint. The wall behind the pool was renovated and the gate was also given a fresh look.

Besides the renovation and maintainence on the buildings, our teachers also went to update their knowledge. All teachers attended a rigorous five days training (12th January – 16th January) at the Waldorf Kindergarten Teacher Training Workshop, Nepal-2014 held in Tashi Waldorf School, Maharajgung. So, along with the school building, the teachers too have come back fresh and anew with more passion and enthusiasm.

The children from Jupiter class are preparing to leave MotherCare in a few months to continue as first graders, mostly in John Dewey (our sister high school) and in a few other schools in the valley. We take this opportunity to remind all the parents of Jupiter class to kindly contact the John Dewey office for registration from the first week of February. There is no entrance exam but the registration is on a first-come-first-served basis.
For the parents who are not sending their children to John Dewey, kindly contact the school office if you require any certificates/letters for admission in other high schools as General Assessments will be ready only by mid-March.

Once again we would like to express our gratitude to all the parents for their constant support and co-operation.

**Please note that the fees for the last term will be collected from 3rd February till 12th of February 2014. Please refer to the bill sent on the 31st of January 2014.**

Thanking you

Yours sincerely,

Srijana Tamang.
