Dear Parents,

Namaste! Welcome back. Hope you had a good Tihar!!

MotherCare also wishes a very warm welcome to all the new children and their families who have joined us this term.

With yet another Dashain and Tihar just gone by we are all set to welcome the new term with more fun and activities.

The Tihar Night held on the 20th of October was fun and successful despite the challenging weather. The two senior groups (Saturn and Jupiter) performed the Nepali dance beautifully and they looked very sweet in the various ethnic costumes. The Tihar song sung by all the children was heart rendering and beautiful. The teachers and staff need to be commended for their hard work and enthusiasm in making the night a success. We would also like to thank all the parents who attended the show and made contribution towards our ‘Dashain Drive’.

Well, with Autumn in the air, the days do seem bright and clear but the temperature could be deceiving. However, dressing your child in very warm winter attire right away may not be so helpful as they are active throughout the day and do get warmed up and sweaty. Just remember to pack a warmer but lighter jacket or sweater, should the air turn nippy during the day.

Autumn also brings a bout of runny noses and flu so we would appreciate if you could check if your child has any such symptoms. We would prefer that your child stay home if flu like symptoms manifest. We sincerely appreciate your co-operation in these safety measures.
As discussed in the Annual General Parent / Teacher meeting held on the 13th June 2014, the tuition fees has been revised as per the current inflation rate (16 %). In addition to this, fees for lunch and snack will be increased by Rupees Two Hundred (NRs 200/-) per month. For your information, this revision is made in every two years.

The holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

**Fees for the third term is now payable. Kindly refer to the bill sent today.**

We would once more like to thank all the parents for their constant support and cooperation.

Yours sincerely,

Srijana Tamang
