NEWS LETTER

Dear Parents, 01st June, 2012

We have now come to the second month of the first term. The children have comfortably settled down in their new classrooms. They always play a big role in raising the spirits of each one of us with their innocent questions and answers. Their joy of exploring new toys, books, classroom never cease to surprise us. We are happy to say that in MotherCare each day begins and ends with a smile despite the constant turmoil and poor state affairs in our country.

The senior class (Jupiter) participated in the painting program (The Big Picture) on May 25th organized by NCEN.

As mentioned earlier we have made few adjustments to the previous holiday list to make up for the bandh days. Please do refer to our new holiday list.

The temperature is rising each day so to beat this heat the children are enjoying the cool splash in the pool. Please send the proper swimming gear. (big towel, trunk, sun block, arm bands, floaters. In order to avoid any kind of confusion please tag all these above items with your child’s name.

We would like to inform you that our Annual General Meeting will be held in June. We will be sending the formal invitation later.

Thank you for trusting MotherCare.
