Dear Parents,

Namaste!

The MotherCare family would like to welcome all the new children and their families to the kindergarten after the short summer break. We do hope that you had a wonderful time with your children.

The Annual General Meeting held on the 3rd of July 2015 was concluded on a positive note with several parents, both new and old participating in the discussion. During the meeting some concrete decisions and solutions to various problems were sorted out. Further details have been recorded in the minutes of the meeting which is attached herewith.

As discussed in the General Meeting we have been doing regular earthquake drills at different timings. We would like to notify you that swimming will begin from this week. Please contact the respective class teachers for details regarding swimming.

All the teachers underwent a full day refresher workshop conducted by our principal Dr. Sapna Thapa. We had also invited the teachers from Orchid Garden, our sister school for underprivileged children run by Mrs. Bina Basnet. It was a pleasure sharing our knowledge as we do believe a small bit from us can go a long way.

We are also glad to inform you that we extended a helping hand by inviting some teachers (introduced to us by Kalkin’s mother) from Kamaldhara, Sindupalchok for post trauma counseling and training so they could go back and share that knowledge. We have now developed a long term plan with the teachers from Kamaldhara to help them set up preschool classes. We will be visiting the local school there in due time.

We would like to thank Mrs. Jyoti Aarya’s mother for donating a tent to the school which might be helpful in the future. We would once again like to thank Mr. Sakar Shrestha.
(Ashana and Akansha’s father) for his continuous support and for arranging the Government Engineer Krishna Singh Basnet to conduct a detailed assessment of the school buildings.

Please note that the transaction details of the Donations collected will be sent in the next newsletter as the repair work is still going on.

**Fees for the second term is now payable. Kindly refer to the bill sent today.**

The holiday list and the newsletter will be available to download from our website:
