Dear Parents,

April is a month for farewells and goodbyes too. The graduation day will be held on the 4th of April to bid our farewell to our thirteenth batch of graduates who will be pursuing elementary education in various schools. We wish them the very best of all things in life. It was a real pleasure having you with us.

By now you must be aware that some of the children will be making a transition from one class to another. The teachers’ have been preparing them for the ‘big change’ since sometimes this can be a traumatic experience for a little child. We would appreciate if you too could do the same at home. You could, talk about the new teacher, the new class and if possible you could visit the new class and teacher with your child. This will help to ease the initial anxiety that some children go through even though the change is only within the school. Please note that the children will join the new class immediately after the spring break.

It is still spring and yes everything is sprouting. The days are becoming warmer and your child needs an extra bottle of drinking water and hats to ward off the sunshine. Please make sure you dress your child in suitable outfits for play outdoors and do not forget to pack an extra set of clothes in his/her backpack. You are most welcome to leave the extra set in the school provided they are labeled with your child’s name.
The holiday list for the new academic year (2013 – 2014) is attached with this newsletter. The same will also be available on the website www.mothercare.edu.np

Thank you for your constant support and cooperation.

Happy Spring Holidays!

Yours sincerely,

Sapna Thapa (Mrs.)

PRINCIPAL
