Dear Parents,

Welcome back! We do hope you had a wonderful time with your children during the short but welcome summer break. The children seem to be delighted to be back, all set to begin the new term with much enthusiasm. The MotherCare family would like to warmly welcome the new children and their families to the kindergarten for the new session. Thank you for choosing MotherCare as a stepping-stone for your child.

Although the monsoon rains have begun, it has not yet made the playground slushy therefore it is still accessible. However, please make sure that your child has all the necessary rain gear while at school because sometimes we like to mess about in a slushy garden too! It is definitely fun for the kids and it is the best way to learn about the monsoons, the season that only happens in this part of the world.

With the London Olympics being held this year, we will be including the topic as our central theme for this term. This is an opportunity for young children to get acquainted with the Olympic Games, but most importantly the central message during the activities is one of friendship and peace. Beginning this term, we also wish to impart the importance of respecting and looking out for our environment, which in our city is deteriorating day by day. We have started using the three magic ‘R’ Reduce, Reuse, Recycle in our daily routine to make children aware of how little things can make a difference. Therefore, we would like to request each
parent to co-operate with our small campaign for the world and reduce the usage of plastic bags, 
reuse them instead, recycle old newspaper, empty cartons, juice cans/boxes etc by sending them 
to the school where it will be put into good use. We shall keep you updated on our various little 
campaigns with regards to the three R s.

The holiday list for the academic year has been updated in our website. The fees for the second 
term are payable now, which includes payment for the months August, September and October. 
Kindly refer to the bill sent earlier.

**Fees for the second term will be collected during these times:**

Thanking you for your support and co-operation.

Yours sincerely,
