

MotherCare
INTERNATIONAL PLAYGROUP/PRESCHOOL

NEWS LETTER

Dear Parents,

01st February 2024

Welcome back! The MotherCare family would like to wish you a Very Happy and Prosperous 2024. We hope that you had a good vacation. Several new children have joined us this term and we welcome them and their family to our kindergarten. Thank you for choosing MotherCare for your child.

The school closed for the winter vacation on a positive note with the Christmas being the highlight. The children did a fantastic job with the Christmas song and the play and it is always a pleasure to watch them perform with such enthusiasm. The winter camp conducted by the teachers was a huge success. The children seem to have thoroughly enjoyed each day of the camp.

The weather is still slightly cold but we are certain that it will gradually give way to the warmer days of spring. Many of the children are going through the phase of runny noses and coughs so please include handkerchiefs/tissue packs in his/her backpack every day. A warmer jacket that the children can easily take off would be preferable.

Most of the children from the Jupiter class are being prepared to leave MotherCare in order to join as first graders in various schools in the valley. The parents who wish to enroll their children in John Dewey School are advised to kindly contact the John Dewey office for registration during the first week of February. There is no entrance exam but the registration is on a first-come first-served basis. For children and parents who are not sending their child to John Dewey, kindly contact the office immediately if you require any certificates/letters for admission in other schools. Assessments for Jupiter class will be ready by mid-March if required earlier please let us know in advance.

Fees for the final term will be collected from the 02nd February 2024. Please refer to the bill sent.

Thanking you for your constant support and cooperation.

Yours sincerely,
MotherCare Admin
