

1st June 2023

Dear Parents,

Namaste!

The kindergarten has been buzzing with various activities along with the teary eyed newcomers, which tells us that the new academic year is well on its way now. We look forward to sharing many fond memories with our children during the year again. Please feel free to talk to the class teacher should you have any queries regarding your child. We would, however appreciate if an appointment were made before such meetings so as not to hamper the regular schedule.

"Zumba" classes have begun for all our children, so every Friday please remember to dress your child in appropriate clothing and comfortable shoes, so that they will enjoy the musical exercise more.

Kindly, remember to pack an extra set of clean clothes clearly labeled with your child's name even if you think your child does not need them. They are children after all, and you never know when they need a change. Please also note that the children should not be sent with precious jewelry, rings or lockets. If there is a religious purpose for the item the child has to wear, please kindly inform the teachers. The school will not be responsible for loss of such items.

We would like to request all the parents who have not yet submitted their child's vaccination details to please submit the same along with the birth certificates to the office immediately so that the records can be updated.

We would also appreciate if the children are dropped to school by 9:15 am, so that we get enough time for one to one activity in the morning. This specially applies to the two senior groups of children (LKG and UKG group). Please note that this delay leads to the child missing out on one of the most important activity of the day.

The MotherCare family would like to express our sincere condolences to Acira's Parents, she lost her loving Paternal Grandfather in May 2023. We pray to the Almighty to give strength and courage to the grieving family at this difficult time. May the departed soul rest in eternal peace.

Thanking you for your constant support and co-operation.

Kind regards,

Aparna Bhattachan
