Dear Parents,

01st December 2015

Namaste!!!

The year has almost come to an end and we have had our share of everything from the sad to the happy and as the saying goes “Smooth seas do not make skillful sailors”, we have learnt to take it all in stride. We would like to express our gratitude to all the parents who have supported us during the year and we look forward to sharing yet another fruitful year with you and the children. Please do not hesitate to express your opinions on anything regarding the management as well as the curricular activities be it positive or negative. Your suggestions and ideas are most welcome at all times. A big ‘Thank You’ to all the parents who have brought us various items useful for art and craft and yes, we still need them.

With Dashain and Tihar now out of our calendar, we are looking forward to the Christmas celebrations. Please note that the Christmas Play will be held on the 19th of December 2015, (Saturday) in the school premises. Further details will be sent in due time. This festival gives us yet another opportunity to learn about other cultures and build bridges amongst communities. The children are excited about this special day and they have been learning new songs and a small play for that day. Please do make sure that you let the respective teachers know if you will be attending the celebrations or not as soon as possible. The class teachers will also let you know if any special costumes are required for your child for the Christmas program.
We would like to inform you that some of our teachers Mrs. Salini Serchan, Mrs. Natasha Malla and I participated in a Teacher Training Workshop on 23rd November 2015 delivered by Dr. Anna Popova from Australia Catholic University held in Kathmandu.

Lastly, we would once more like to request the parents who still have not submitted the child’s details regarding the ID card, to do so as soon as possible so that we can produce the ID cards at the earliest without further delay. All the new parents are requested to make the inquiry regarding the same with the respective class teacher or with the office.

Please note that the holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

Thanking you once again for your constant support and co-operation and we wish you a Merry Christmas and a Happy New Year 2016.

Yours sincerely,

Srijana Lama
