Dear Parents,

The MotherCare family warmly welcomes all the new children who joined us this past month.

The biggest and the most important festival in the Kingdom of Nepal is knocking at our doors. Vijaya Dashmi or Bada Dashain as it is called is soon going to make the city a place of activities. The tenth day is celebrated by most Hindus as the day of victory. The ‘good over evil’ theory is prominent in the celebrations. We at MotherCare observe Dashain as an occasion to share and cultivate an appreciation for the culture of Nepal. We also take this as an opportunity to extend our contribution towards the community through the ‘Dashain Drive’. We thank all the parents and children who have generously donated old clothes, toys, books etc to our cause.

Please note that the two senior groups (Saturn and Jupiter) will celebrate Dashain with a cultural program on the 16th of October, 2012 instead of the usual Tihar night. More details regarding the program will be sent in the following week.

The staff underwent a rigorous workshop on the 27th of September 2012 organized with the help of Mrs. Shwueng Karthak, our ex-parent/alumni. The workshop focused on working together towards realistic goals as well as exercises for creativity enhancement when working in an organization.

We have had a number of parents telling us about not receiving the letters and notices sent from the school, thus we request you to kindly update your email id at the school office.
Please also note that there will be no swimming from this month onwards until the next season.

The staff and children of MotherCare wish you a very Happy Vijaya Dashami.

Looking forward to your suggestions and thanking you for your constant support and cooperation.

Yours sincerely,

Sapna Thapa
Principal
