

MotherCare
INTERNATIONAL PLAYGROUPO/PRESCHOOL

NEWS LETTER

01st August 2019

Dear Parents,

Welcome back after the much needed summer break. We do hope that you had a wonderful time with your children during the holidays. The children seem to be delighted to be back and start the new term with more enthusiasm and so are the teachers.

The MotherCare family would like to warmly welcome all the new children and their families to the kindergarten. Thank you for choosing MotherCare as a stepping-stone for your child.

Although the monsoons have begun, it has not yet made the playground slushy therefore it is still accessible for the children to play. However, please make sure that your child has all the necessary rain gear while at school because sometimes we like to mess about in a slushy garden too! It is definitely fun for the kids and it is the best way to learn about the monsoons, the season that only happens in this part of the world.

The summer camp was a tremendous success with the children enjoying every single day of the camp. All the teachers who participated in organizing the camp have to be commended for their dedication and enthusiasm.

A small reminder once again would be to make sure that your child has enough drinking water during the hot summer days and clothing appropriate for the heat. Cotton clothes would be more appreciated to avoid rashes and excess perspiration.

We sincerely thank all the parents for their constant support and co-operation and look forward to your suggestion.

With best regards,
Mother Care Admin
