NEWS LETTER

01st May 2019

Dear Parents,

Namaste! Welcome back after the short spring break. We extend our warmest welcome to all the new children and their parents who have joined us this term. Thank you for choosing Mothercare as your child's stepping stone.

We are all set to begin a new academic year with great hope and enthusiasm. The transition to the new class was quite smooth for the bigger group of children and they are raring to begin the new term with the new teachers. However, the little ones are still going through the process of change which in itself is a lesson and is not always easy for all. Eventually they will come to terms with it. Please do not hesitate to talk to the class teacher if you need to clarify things regarding the same. We shall do our best to accommodate the child to the new class comfortably as soon as possible.

The Annual General meeting will be held later on in June and we will send you a formal notice along with the agenda a few days before the scheduled day.

Although the weather is giving us plenty of time to wonder at its tricks, we know that the summer will soon be here. Summer means fun with water so we will begin using the swimming pool as soon as the weather gets better and the pool is ready.

Hopefully by the second week of May our pool should be ready for operation. The respective class teacher will keep you updated regarding the same.

We would also like to remind you that no child will be allowed in the pool if he/she is without the proper swimming gear consisting of a pair of swimming trunks, arm bands, a tube, sunscreen and a bath towel. Kindly label all your child's belongings with his/her name.

We request the parents to please avoid sending aerated drinks (coke/fanta,etc) and junk food (instant noodles/chips,etc) to school. However the children can bring juice along with a bottle of drinking water.

Please note that the holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

Fees for the first term will be collected from the 1st of May till the 12th of May. Please refer to the bill sent.

Thanking you for your constant support and co-operation.

Yours sincerely,

Mcare Admin.
