01st July 2014

Dear Parents,

We have now come to the end of the first term and soon the school will be closed for the summer vacation. The children have comfortably settled down in their new classrooms. Both the teachers and other staff members have done a commendable job to make this term a successful one. Without any doubt we all know that the month of June has certainly been an eventful one with raising awareness about the World Environment Day on the 5th June and also with the advent of the Football World Cup in Brazil bringing excitement to both adults and children alike. The entire kindergarten is abuzz with news from the football world.

The Annual General Meeting held on the 13th of June has concluded on a successful note. The orientation for the new parents and meeting with the key teachers was quite productive and we would like to extend our gratitude to all the parents who were in attendance. We would appreciate feedback through email. If you have any pressing queries regarding any other issues please do not hesitate to contact us.

A small reminder would be to make sure that your child has enough drinking water during the hot summer days and clothing appropriate for the heat. Cotton clothes would be more appreciated to avoid rashes and excess perspiration. We encourage all the children to take sips of water throughout the day so a small bottle may not be enough. Although we always have bottled water in the premises when required, this would not be enough for the entire school. Kindly remember to pack an extra set of clothes clearly labelled with your child’s name. Please also note that children should not be sent with precious jewellery. If there is a religious purpose for the item the child has to wear, please kindly inform the teachers. However the school will not be responsible for the loss.
Mothercare staff is organizing a fun-filled summer camp in the school premises from the 7th of July 2014. If you are interested in enrolling your child for the summer camp, please contact Ms. Leela Pun - 9803073233 & Mrs. Onam Pradhan - 9841019813.

Please note that the holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

Summer holidays begin on the 7th of July, 2014 – 25th of July 2014 (School will re-open on the 28th of July, 2014 i.e. Monday).

Have a wonderful Summer Break!

Yours sincerely,

Srijana Tamang
