Dear Parents,

Here we are at the first month of the new term and most children seem to have settled down with their new teachers in their new classes except for a few who will take a little longer time to adapt to the change. We thank all the parents for their understanding and co-operation regarding this matter.

We would also like to remind the parents that the MotherCare philosophy is based on an early years curriculum that encompasses both learning and development in collaboration. Learning is provoked and does not occur in isolation. Development on the other hand is spontaneous. Learning only occurs when the child is ready or is in his/her sensitive period for the particular lesson. For example, you cannot make a children read and write before they develop a language or before they are comfortable with their own language. Therefore learning only takes place if all the developmental issues are resolved and is in harmony with the child’s need at one particular age. The philosophy will be discussed in details in the coming Annual General Meeting.

Please note that the Annual General meeting will be held on the 13th of June (Friday) at 5:30 p.m in the school premises. The agenda and other details will be sent to you soon.

We request the parents to kindly leave their children at the gate during the morning drop with the didis or the guard dai at the gate. If you have to park please inform the office so that we can make prior arrangement and avoid the traffic congestion and the inconvenience for the pedestrians and the neighbours. However, the request mentioned above is more applicable for the two senior classes.
We would like to thank Mr & Mrs Shrestha Nora’s parents for bringing some scraps which is very useful for the craft work in the school. The other parents are also more than welcome to do the same.

Please note that the holiday list and the newsletter will be available to download from our website: www.mothercare.edu.np

Thanking you for your constant support and co-operation.

Yours sincerely,

Srijana Tamang
